Controls Manager: Matthew Pico	Cell: 832-519-6158
Contractor: LECON, Inc.	Office: 713-681-4366
For more information on this project, please contact the Houston Service Center by dialing 3-1-1 or (713) 827-0311; access www.houstontx.gov and click on the 3-1-1 icon or download our mobile app for Android & Apple	

d iOS. You may also send an e-mail to PWECIP@houstontx.gov.

As in all construction work, there will be designated work areas for excavation and moving equipment. Please be advised to exercise appropriate caution when traveling in or through these areas. Also, there may be times that water and/or sewer service may temporarily be lost. Every effort will be made to inform you of planned shutdowns of service. However, emergency situations may arise which may force the immediate shutdown of service. In these instances, every effort will be made to restore your service as quickly as

LECON, Inc., under contract with the City of Houston (File No.: WBS M-000296-0008-4) will be excavating detention basins on the west and eastsides of Vogal Creek along with outfall systems that vary in size. All work is to be performed within the City's right-of-way (ROW).

During the design of this project, an arborist was engaged to perform an assessment of the trees in the area and to develop a tree protection plan. This plan will be implemented by the contractor to ensure adequate protection of the trees during construction.

Restoration of yards, sprinkler system, etc. will occur once all construction is complete on the street. If your spinkler system is broken by the construction, please contact 311 to report the break and PWE will ensure that the contractor makes the repair as quickly as possible.

The contractor has taken pre-construction photos of the project. If you perceive that damage has been done to your property, please report the damage via 3-1-1 and PWE will meet with you to review the damage.
